**THANK YOU** to all of today's performers for their generous contributions of time and talent.

## Help make MayDay zero-waste!

Look for the green feather flags to find recycling/composting stations and help HOBT meet our goal to recycle or compost at least 80% of onsite waste!

Please Support MayDay Today!

**Who Produces MayDay?** In the Heart of the Beast Puppet and Mask Theatre is responsible for the production of MayDay. **YOU** — neighbors, friends, guests — are responsible for the construction of MayDay. This means we rely on your generous volunteer support, but it also means we depend on your financial contributions. Your donations allow us to pay artists, buy park permits, keep everyone safe, and balance our budget so that we can do it all again next year! If you'd like to help us build the 43rd MayDay Parade in 2017, you can:

- Give today to a bucket brigadier! Find one of the volunteers with the yellow or green MayDay contributions buckets and drop some cash in the slot.

- Give online through our GiveMN/Razoo site or our website: [www.hobt.org/donate](http://www.hobt.org/donate).
