

Contraption Makers with Yani Foreman

Outdoor Activity:

Head outdoors and explore what other nature objects you might want to add to your contraption.

Take a video or picture of your Rube Goldberg machine and send it to info@hobt.org or use the #ArtfulAdvocates hashtag.

Call to Action:

Before you buy something new, try borrowing from a friend, buying second-hand, utilizing neighborhood swaps, or your local buy nothing group.

- To find your local **Buy Nothing group**, you can simply search “Buy Nothing” and the name of your town or neighborhood.
- Check out the **MN Tool Library**. They allow members to check out tools and use workshop space at both its Minneapolis and Saint Paul locations.
- Join the **Minneapolis Toy Library**. You can check-out up to five toys, take them home for 2-4 weeks, and exchange them for new ones when you return!
