

My Dream's Nuur with Ifrah Mansour

Outdoor Activity:

Now that you've created your own Nuur, head outdoors and explore what other nature objects you might want to add to your lamp.

Call to Action: Save Energy at Home

Here are a few simple ways you can save energy at home and protect the planet:

- Utilize Natural Light
- Turn Off Lights and Electronics When You Aren't Using Them
- Unplug Electronics and Appliances when you're not using them
- Replace Traditional Light Bulbs with LEDs
